Plastic Single Slide UniMailer
Model Number:Web:M800-100
M800-100 The UniMailer™ is a one-slide holder allowing for the use of as many as necessary according to the number of slides to be mailed. Not only do they fit snugly on top of each other but they are also secured by an innovative locking mechanism. You may also want to insert a tamperproof tie or attach an ID label. Designed to accommodate 25mm x 75mm and 1" x 3" slides with or without cover glasses, they can also be used to provide safe storage for those valuable slides you want to protect. It provides for multiple reuse or single use disposability.  Each tray allows placing the slide in a horizontal position for full visibility. Slides can easily be inserted with an exact fit to avoid any breaking during transport. When pressed on either side while in the UniMailer™, they will pop-up for easy removal.  Identification can be made on three sides or on top. Made of an almost unbreakable plastic, they are available in five popular pastel colors for easy identification. 200 per Case
<del>\$64.00</del> <b>\$32.69</b>
